

Annual Mike Fatke Memorial Hickory Tournament Manistee Golf and Country Club July 19th and 20th 2024

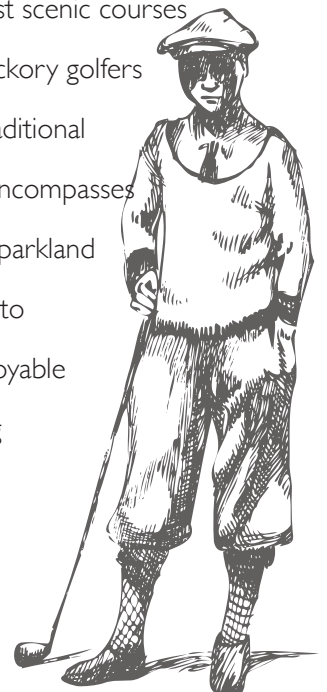

This tournament honors Mike Fatke, Manistee Golf and Country Club's longtime course superintendent who took impeccable care of the course he loved and could often be found, late in the day, playing the back nine with his hickories. It also benefits the **Save A Buddy Fund** set up by Mike and his wife Molly to honor their rescue dog, Buddy, by providing financial assistance to individuals to spay or neuter their dogs or puppies.

The format is low gross and net stroke play with Open, Ladies and Statesman (70+) flights. The Open low gross winner will be crowned Champion. Handicaps will be adjusted for those without a hickory handicap. Cost for the tournament is \$210 per player (+\$30 for social events guest). Included will be a tee gift, practice round Friday (with a possible competition), a social event Friday evening and an awards luncheon following Saturday's play.

Registration forms will be available at www.manisteegolfandcc.com; at Manistee Golf and Country Club P.O. Box 487 Manistee, MI 49660; or by contacting Fred Niles, fniles1@mac.com.

Established in 1901 and located on the shores of Lake Michigan the Manistee Golf and Country Club is one of the oldest and most scenic courses in Michigan. Hickory golfers will find the traditional layout, which encompasses both links and parkland characteristics, to present an enjoyable and challenging experience.
